Walk the halls of JHS, and you are bound to see several different personalities. We are unique. There is no set typecast of the Dragons. We have the preps, the punks, the intellectuals and the jocks. We thrive on originality and creativity. Our faculty is unique, too. The curriculum of courses and the ways of teaching speak for themselves. One of our best qualities is to be ourselves and to be able to express our values and morals without fear of rejection or being shunned. We are unique, and that is something to be very proud of because few people in this world can really be that.

BEHIND THE SCENES AT JHS

TAKE ONE

ON THE SILVER SCREEN

A person could go broke trying to take in all of the fantastic movies that came out this year. There was a variety of choices for all tastes.

"Dirty Dancing", starring Patrick Swayze and Jennifer Grey, was a fast paced film about a very Jewish girl who falls in love with her dance instructor at a camp.

Steve Martin and John Candy starred in "Planes, Trains, and Automobiles." This was a hilarious adventure of two strangers forced together to try to make it home for the holidays.

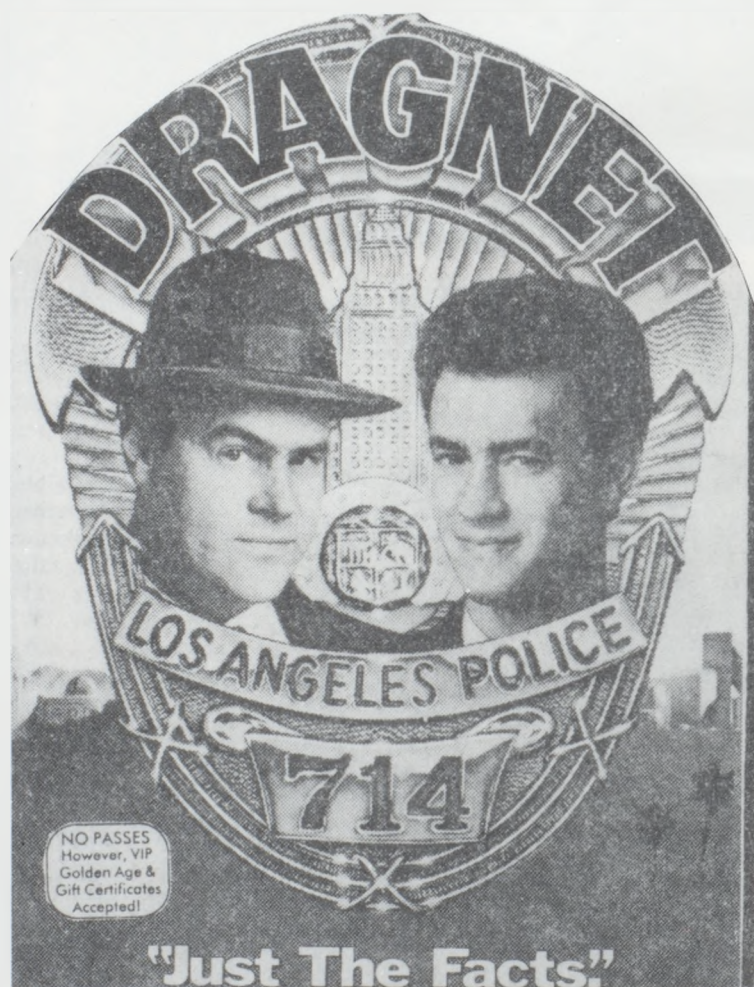

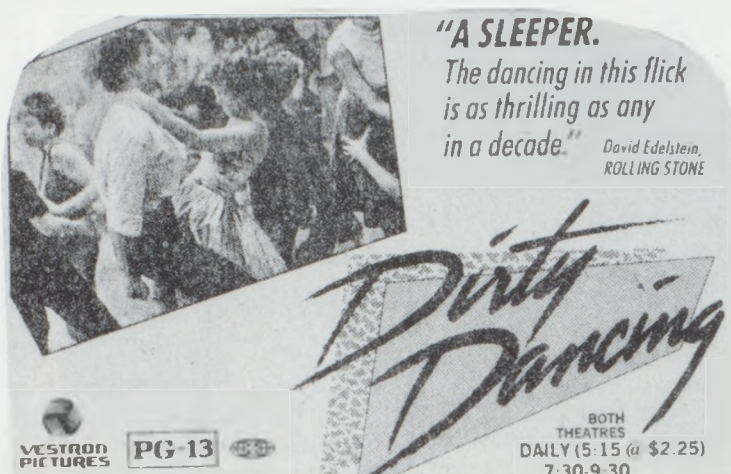

"Nuts" was a shocking movie about a woman who has been institutionalized and is mad ... as in angry, and a psychiatrist who helps her. This starred Barbara Streisand and Richard Dreyfus.

Robin Williams starred in "Good Morning Vietnam," a funny and touching film that was the story of an Army radio D.J. in Vietnam who boosted the morale of the troops with his sarcastic humor and his "honest" broadcasts.

"Willow," starring Val Kilmer, lured you into a complicated fantasy that pitted good against evil.

"Moonstruck," starring Cher, was a movie about life. A middle aged woman goes through some trying times. This movie will make you laugh and tug at your heart strings.

These are only a few of the excellent films that you could chose from this year. You couldn't go wrong when you picked one!

COSTUME CALL

There were a lot of fashions going around this year and Johnston students proved to our annual camera that we had it all. From tie-dyes to T-shirts and sweaters to shoes we managed to get some fashion in action here at Johnston High.

THE SCREENWRITERS GUILD

This year at Johnston we have been fortunate enough to have a number of new electives added to the choice of English courses. Now juniors and seniors have a broad range of choices. The new courses are: Advanced Speech, Modern Literature, American Literature, Creative Writing, Experiences in Writing and Drama.

Our five English teachers, Mrs. Koth, Mrs. Moermond, Mrs. Partington, Ms. Smith and Mrs. Tews all agree that the additional classes give the students a chance to pursue their interests and needs. Ms. Smith commented, "I want to increase interest in theatre here at Johnston, and I know the new Drama class will help in that area." The majority of the students felt that the new electives will prepare them better for future goals.

Right center: Mrs. Tews is smiling because she doesn't know this picture is going in the yearbook.

Bottom: Mrs. Partington is trapped by a yearbook staff photographer.

French, the savoir-faire behind the language

In French class, students learn more than a language. After returning from a one year leave to obtain a Master's Degree, Mrs. Moermond spent much time teaching students about important places found in Paris.

Other areas in French were explored including teaching students through BINGO and turtles. Everyone found this to be a fun way to learn verbs and numbers.

The French Club is still going strong after being started last year. Karen Trees is the president; Than le, vice president; Khanh Le, Secretary; and Annette Nelson, Treasurer. If all goes as planned the French Club will take another ski trip to Minnesota.

Scenes from Spanish Class

Spanish has proved to be very interesting this year. Mrs. Rash has been teaching at Johnston for seventeen years now.

She teaches Spanish I, II, III, and IV.

Every other year there is a trip to Mexico for students who have taken at least two years of Spanish.

The sites were great in Mexico City, Taxco, and Acapulco.

The students saw the Pyramid of the Sun, did lots of shopping, and went parasailing and cliff diving in Acapulco.

Every year before Winter Break all of the Spanish classes plan a potluck with Mexican food. It gave the Spanish students a taste of what life in Mexico and Spain is really like.

Keep up the good work, Mrs. Rash!

Top right: Mr. Pitz ignores Lisa Beggs as he poses for the camera.

Middle: Chris Jones asks, "Whose got the answers this week?"

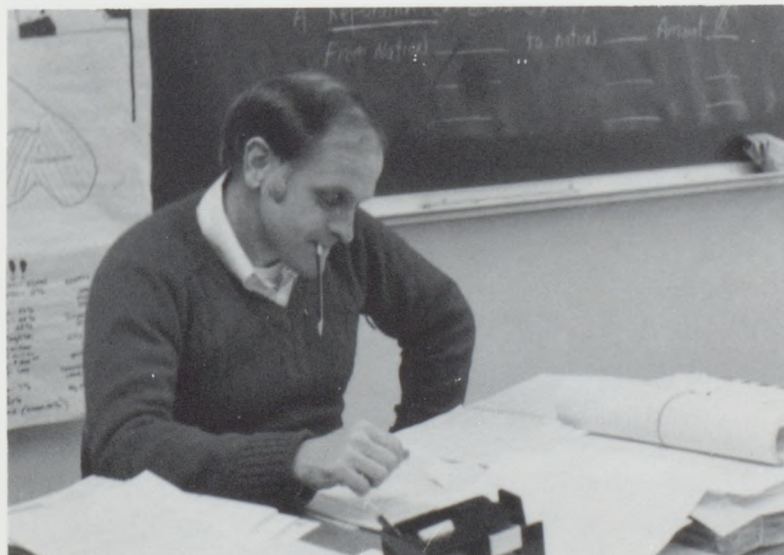

Bottom: Mr. Harswick goes through his oral phase of childhood again.

HISTORY IN THE MAKING

Mr. Harswick has been teaching at J.H.S. for seventeen years. Mostly his classes survey history from the Stone Ages to the Sixteen hundreds. The most interesting project for the students was the manor layout. Groups of students would get together and build a manor or castle. These were made out of leggos. That proved to be the most well liked project. Mr. Carvers history class this year took a trip to be on Young People Speak Out. His classes also have been talking about politics off and on. This year's history class thinks with their knowledge they can make a difference.

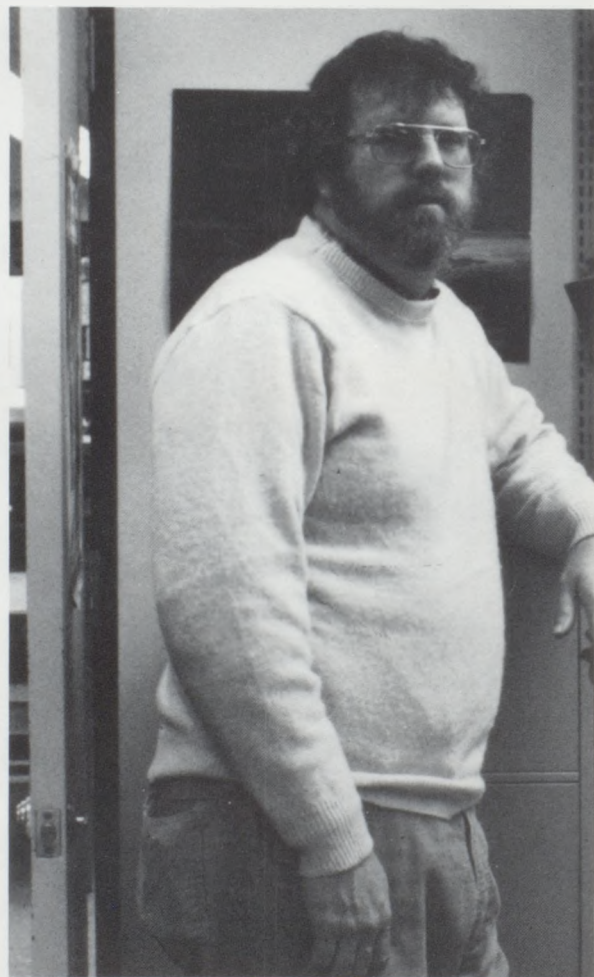

Mr. Pitzs students have a chance to go to Washington to see how the government is being run these days.

Weird Science

The Science classes had some new additions this year both in classes and in the teachers. Johnston has the following classes available: Earth Science, Basic Biology, Biology, Chemistry, and Physics. There has also been a new class added called Basic Biology.

The teachers in the Science Department this year are: Mr. Mahoney, who teaches Basic Biology and Advanced Biology, Mr. Briggs, who teaches Earth Science, Mr. Partington, who teaches Chemistry and Physics, and Mrs. Scott, who teaches Biology.

Top: Steve Thompson displays his mechanical ingenuity.

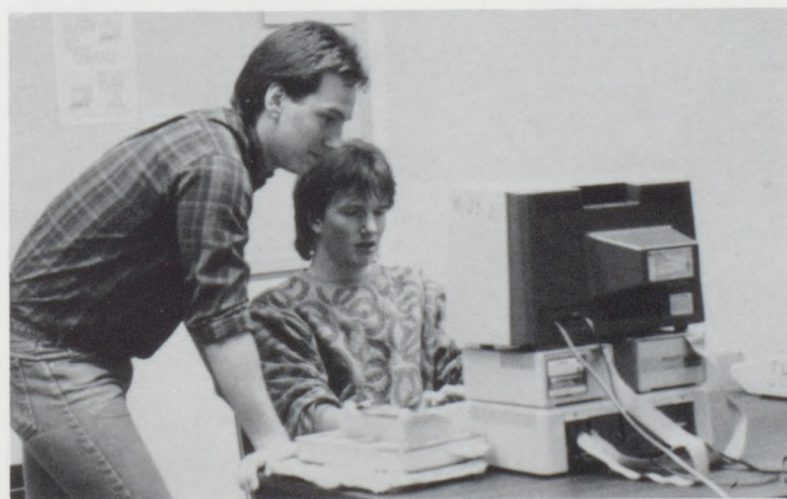

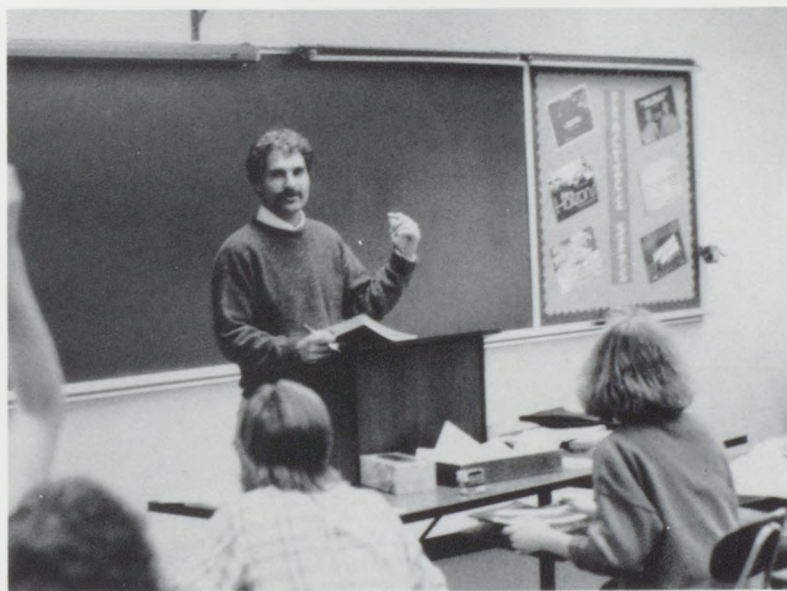

Bottom: Mr. Partington shows us his normal daytime activity.

Left center: Mrs. Scott makes a new friend, hopefully one that will listen.

THE SCREEN TYPERS OF JOHNSTON

This year's typing classes have brought in a new class called Computer Literacy. This class is now required for all of the freshmen. They have to take this course to graduate. In Mrs. Goshorn's typing class, almost half the time they spend typing is on the computers. Mr. Oldham's business classes spend half their time on the computers also. Other than Computer Literacy, Mrs. Goshorn teaches Shorthand, Office Practice, & Advance Keyboarding. Mr. Oldham teaches Computer Literacy, Accounting 1 and 2, and Introductory to Business. Mr. Lancaster teaches Beginning Programming, Calculus, Trigonometry, and Business Math.

Middle: Mr. Oldham preaches the gospel of Accounting I.

Middle right: Kelly Huggins inserts data for Mr. Lancaster's computer dating service.

CALCULATING ANGLES

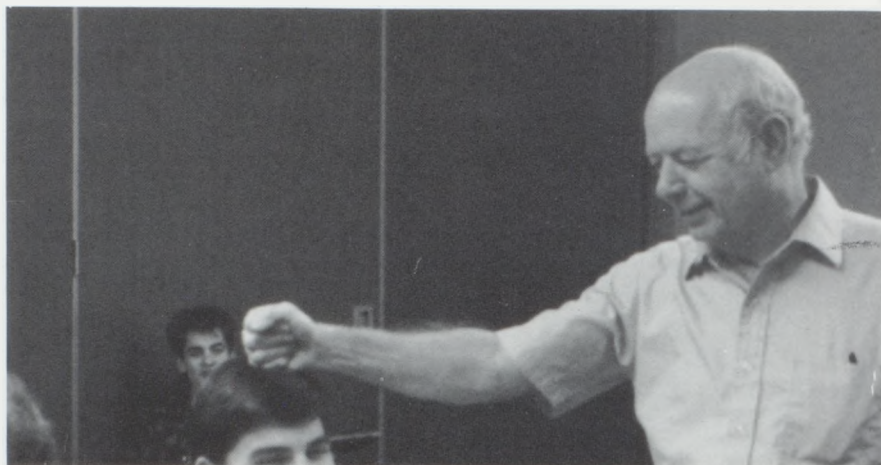

Two plus two is four, four plus four is eight, eight plus eight is sixteen and so on and so forth. I'm sure we all know that but, do you know $xy-e=4$? Well if not then maybe you should try some of the math courses we offer here at Johnston.

The mathematics courses we have here at Johnston start out with fundamental math for those of us who do not plan on becoming a mathematical genius. From there you can go on to pre-algebra, Algebra I, geometry, and to continue on with more algebra there's Algebra II.

Some of you might be thinking about going into a career in which you might need a more complex mathematical background, in this case you could take more difficult courses such as trigonometry, analytical geometry, calculus, statistics, consumer and business math, and Beginning Programming.

Even if you are not planning on going into a career in which you will need a mathematical background I'm sure these math courses will help you in any line of work. If you don't believe that you could ask any one of the math teachers which include: Mrs. Van Farroe, Mr. Gross, and Mr. Lancaster.

Home Economics—Take ONE

People say school is for the basics—reading, writing, and arithmetic. Well that's not all there is to it. There are courses like Foods I & II, Clothing I & II, Child Development, and Skills for Living.

Foods I is basically a class for learning simple cooking skills. During this semester, the students will fix a Thanksgiving and Christmas dinner.

Foods II takes you into a more complex stage of cooking with more difficult recipes to attempt. This class also includes a cookout at the end of the semester.

Clothing I & II are continuing classes which show you the different steps to sewing.

Child Development is a class based upon parenting. It teaches you the responsibilities of raising a child. During this class you are (for 1 week) responsible for an egg (baby). You must take the egg with you to all your classes unless you have a babysitter. Many students say it's not as easy as it sounds.

Skills for Living is a combination of foods, clothing, and child development. It teaches you all the skills you might need in life in one short class.

Mrs. Lauen does have her hands full, but no one can say her classes are ordinary!

Middle: Sharon Lindstrom, Heather Brannon, Denise Bacon, and Ryann Alexander look like busy homemakers.

Bottom: Alicia Shelton, Taige Iles and Anne Arthur demonstrate their culinary skills.

THE PERFECT PICTURE

One of the new faculty additions this year is Mr. Weiss, the new art teacher. Mr. Weiss graduated from Iowa State University. Besides being an art teacher, he works as an artist and gives private art lessons in his studio. Mr. Weiss is also a professional designer, and the author/illustrator of three books.

Mr. Weiss is the eighth of ten children. He said, "My mom had so many children that she wanted to try a new type of childbirth. I was born while she was being hypnotized." Mr. Weiss married his high school sweetheart. They have two children: Simon, who is almost two years old, and Hannah, who was born in October of 1987.

This year's art curriculum has been expanded into eight different courses of study which include Introduction to Art, Design I, Design II, Photo Art, Ceramics/Sculpture, Drawing, Painting, and Advanced Studies/Portfolio.

"The Art Department should be a factory for ideas," Mr. Weiss commented. "These ideas should then, through the experience of art, be brought into the real world."

STRIKE THE SET

Mr. Whitaker has been a dedicated and active teacher at Johnston for four of his ten years of teaching. He has a busy schedule since he teaches seven classes a day, and offers a wide variety of courses, such as Woods, Metals, Architectural and Mechanical Drafting, Materials and Processes, Graphics Communications, Building Trades, Home Mechanics, Car Mechanics, and Small Engines.

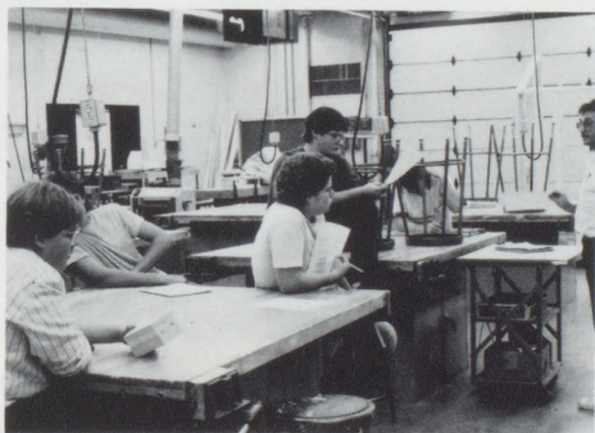

Mr. Whitaker is also the junior high football coach and the assistant varsity wrestling and track coach for the four years that he has been here. He is looking forward to being the assistant softball coach this year also. Mr. Whitaker commented, "I'm really looking forward to the continuing and added programs plus the advance and success in the Johnston School District. I feel good about the contributions I'm making toward that success."

SPECIAL EDUCATION

The Johnston High School Special Education Program is one we should be proud of. The teachers who should be commended for their help are Mrs. Harrison, Mrs. Pitzen, Mrs. Shields, and Mr. Wandro. The associates that give the teachers a helping hand are Mrs. Westcott and Mrs. Kinsey. The teacher associate is Mrs. Hoss.

top right: Rataya is distracted from her building, center: Mrs. Milburn works with preschoolers Brett, Rataya, Joey and Tim. top left: Mrs. Hulscher supervises Jake and Sarah.

Library Researchers

Changes are a way of life around the library. This year we gained three VCR's and three televisions to make classroom presentations better. In order to store them we moved the computers and typewriters to the middle room. This gave us more room for computers. In order to provide a place for students to watch films or taped speeches we moved the copy machine to Mrs. Babcock's office. This also gave Mrs. Cranston a larger area as well. In addition the teachers gained a compact work area.

This year we added a lot of new reference books and are working on a college-bound reading list and buying the books we don't have.

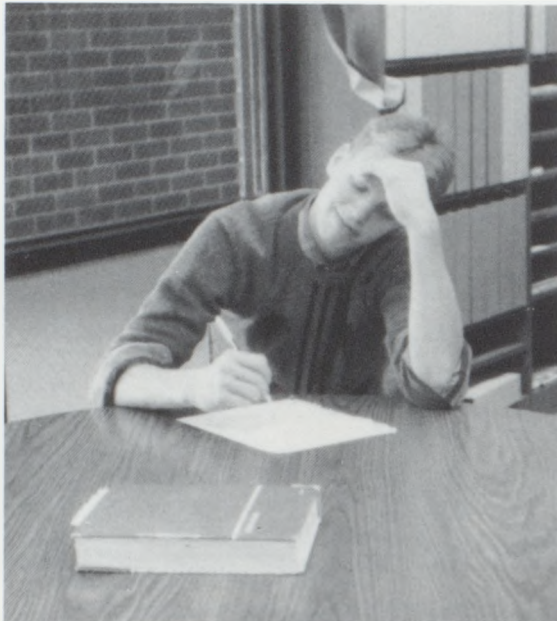

Keyboarding and word processing disks are available for use by students that are using the LMC computers. Some teachers are starting to use the programs as well.

We asked Mrs. Cranston what she liked about the job she's doing here, she replied, "The students are the best part. I love 'em!"

ACTION SHOTS—Phys. Ed.

Mr. Strickler and Ms. Walling were once again the instructors for Johnston High's Physical Education program. This was Mr. Strickler's 17th year at Johnston and Ms. Walling's 2nd year.

In gym class, we played many different team and individual sports, such as football, basketball, soccer, badminton, racquetball, volleyball, hockey, golf, softball, and much more! In the basketball unit, we even had class tournaments, and the winners from different classes played the champions from other class periods.

Another fairly new addition to the Phys. Ed. program was a class called Health. This class was required for all Freshmen and Juniors, and is now also needed to graduate from this high school.

TECHNICALLY SPEAKING . . .

The head custodian at J.H.S. this year is Roger Fusselman. He's pretty much in charge of the things that go on around the school! The other hard-working custodians for the high school are George Smith, Al Campbell, Tom Comer, Jeff Jayne, and Tim Kline.

The school cooks are responsible for feeding the students and teachers healthy meals that keep us going throughout the day! We owe our thanks to the high schools cooks, who are Faye Evens, Ann Koch, Libbie Breen, and Norma Wallin.

The administration here at J.H.S. is led fearlessly this year by Mr. Downs. This is his second year as principal at our school. The principal's secretary is Mrs. Morris, and she is assisted by Mrs. Maasen (a new face in the office). Mrs. Busby is the secretary for the Guidance Department, and she helps out school counselors Mr. Doudna and Mrs. Scott. This is Mrs. Scott's first year working in the Johnston school system, and Mr. Douda's second year. Mrs. Nancy Smith helps out sick students and teachers as this is her second consecutive year as our school nurse.

Johnston School Board in action. School board members are Doyle Sanders, Don Hall, Barb Allen, Louis Friestad, James Arthur, Dale Belknap.

Louis Friestad is the school superintendent, and also a member of the school board. The other members of the 1987-1988 school board are Barbara Allen (PRESIDENT), Dale Belknap (VICE-PRESIDENT), Sara Hendricks (SECRETARY), James Arthur, Donald Hall, and Doyle Sanders.

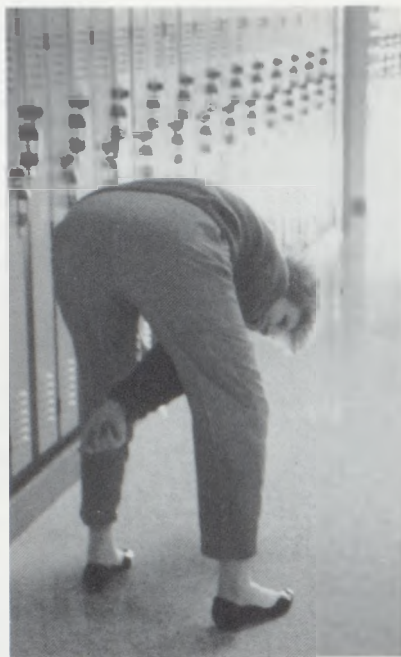

BEHIND THE SCENES AT J.H.S.

With only eight members this year, the yearbook staff had to work a little harder to keep up with the deadlines. Four of these students, Shelaine Harbart, Jennifer Wilkinson, Meredith Kirkland and Tina Snyder worked independently, which means they had to work on their own time taking pictures and furiously writing copy for the yearbook.

The in-class staff members were Corrie Chatterton (editor), Raeome Comer, Kiersten Knudson, and Bob Agnew. Everyone worked hard, and Bob managed to keep things pretty interesting. The staff was never quite sure if that was good or bad.

Ms. Smith and the yearbook staff would especially like to thank Ryan Flannery who spent a lot of time taking pictures for the yearbook.

CONCERT CHOIR

We all take some sort of music class in grade school. Those of us who are a little more musically inclined continued taking these courses at JHS.

Concert choir is a class in which students study music and song. They use their musical skills to perform concerts and enter contests. The students sell items such as candy bars, M&M's and cheeses and fruit to earn money for the trips they take.

Throughout the year some of the concerts they perform are a spring concert, a fall concert, and during the spring concert they enter a large group contest.

One of their more major shows is the madrigal dinner. This is one of the more complicated works with music.

In charge of all this musical talent is Mrs. White. I'm sure we can all tell that she has worked very hard with her students and we can all be very proud of them.

The chorus was faced with new challenges this year. They started out the year with Mrs. White as the instructor. Then she had her baby, and Mrs. Lindquist took over for her. According to Mrs. White, the chorus did very well, and she was impressed with the work they had done while she was on leave.

The chorus put on a musical production called *Nicolodean*, which had a lot of different songs and dances in it. The chorus finished off the year with another concert, and a trip to Minneapolis, Minnesota for Memorial Day weekend. While on the trip the chorus went to a Twins game and shopped in Nicollett Mall.

Madrigal Dinner in Costume

This year was another record year for the Concert Choir's Madrigal Dinner performances. The dinner came off smoothly this year and was a smashing success.

The Madrigal Dinner is based around the gathering of noble people during the Medieval period to celebrate Christmas. They sing all a capella music, like traditional carols and other joyous songs from the Middle Ages. The Royal Court is made up of seniors and Swing Choir members.

The students run the whole Madrigal Dinner performances by themselves much to the disbelief of some newcomers.

"I was quite impressed by the students beautiful blend of voices. This was my first Madrigal Dinner and I never expected anything as wonderful as this done by high school students. It was completely magical," said Jennifer Wilkinson's mother, Terri Holmgren.

The Concert Choir hopes to have an even larger audience next year for the Madrigal Dinner when they will pull off another excellent display of these students' talents.

CUES FROM SOUND ADVICE

This year's group of Sound Advice singers had a special "sparkle". The rehearsals were disciplined and unified in their efforts.

Sound Advice went to many different contests this year. One was the Jefferson Swing Choir Competition in Cedar Rapids, where the group placed third. The group also attended the State Swing Choir contest in Creston. Mrs. White commented, "I was most impressed with the group's level of performance."

SPOTLIGHT ON SWING CHOIR

This year's JHS Swing Choir was outstanding. There were eighteen members who love to sing and dance. Swing Choir went to several different events and contests. One of these contests was the State Swing Choir Competition, which was held at Southwestern Community College in Creston. The Swing Choir received a superior rating and a Division I rating from each judge.

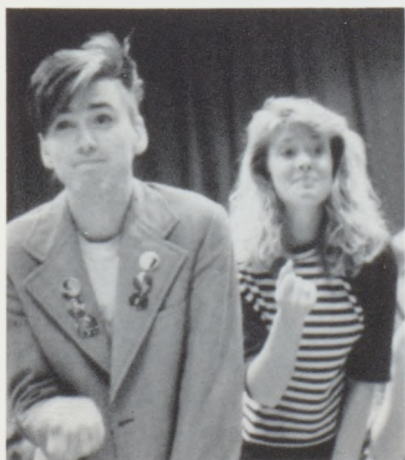

The Swing Choir also placed first in class 2A at the McDonalds Swing Choir Jambo-ree for the fifth consecutive year. They also placed fourth overall. Another contest the choir was involved in was the Jefferson Show Choir Competition in Cedar Rapids, where they received a seventh place out of 24 groups. The choir also traveled to Fremont, Nebraska to compete in the Midlands Jazz Festival. The Swing Choir defended its title by winning the first place trophy for the second year.

When asked about the Swing Choir, director Mrs. White commented, "We had a very successful year. Besides the trophies and awards the members gained support from each other and built strong friendships.

J.H.S. BAND PLAYS FOR BROADWAY MUSICAL

This was Mr. Albrecht's third year of teaching at Johnston Senior High. Once again, he did a superb job! His dedication to making the J.H.S. Concert Band a successful one and his continuous positive attitude really paid off!

The band was constantly busy this year. Aside from preparing for their annual winter and spring concerts, the band also did much more. They performed at the half-times of home football games, and served as a pep band throughout most of the basketball and wrestling seasons.

In March, several band members from all four grade levels participated in the All-Conference Band. This involved practicing new music all day long at Saydel High School, and putting on a concert that same night. It was lots of fun and a great experience for all who attended.

Two major accomplishments were made by the Concert Band this year. The first was receiving a superior rating (I) at the Iowa High School Music Association Large Group Contest held in Saydel in April. Out of the past 5 judged performances by the band since Mr. Albrecht's arrival here at Johnston, the band has received superior ratings (I) four times, and an excellent rating once.

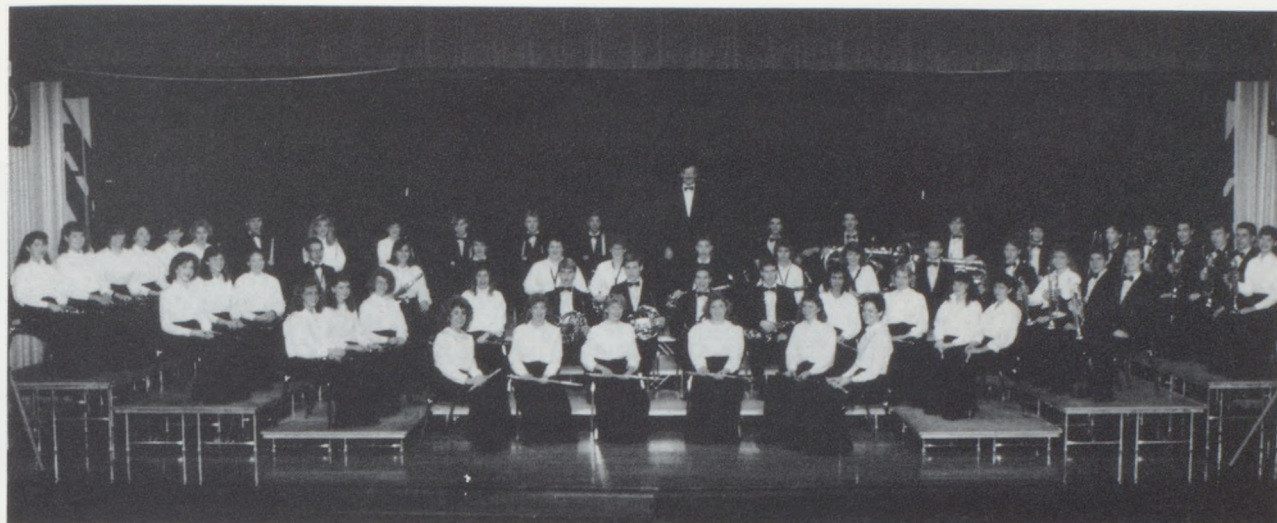

The second major accomplishment for the band was receiving second place (only to East High School) in classes 3A and 4A at

This page, top: Mr. Albrecht directs the band on a Monday rehearsal. bottom: Drummers Tara Keltner, Jason Scheller, and Jason Battani got caught taking a break from practice. Opposite page: JHS concert band.

the Pella Tulip Time Parade in May. This was the first year that the band had entered this competition, and after their success, it probably won't be the last.

The band would like to thank Mr. A. for his devotion, hard work, and especially for his patience! Here's to another great year!

Musical Score

This year's Marching Band was directed by Mr. Albrecht, who missed the first few games of the season. All of the Band members felt lost without him, but soon recovered after his return.

The last games of the season were colder than normal. Although the band suffered from numb hands and feet, they performed beautifully. Mr. Albrecht commented, "I thought the Marching Band did very well and accomplished harder material."

Marching Band members are: (Row 1) Anglie Allison, Yvonne Kinsey, Jenny Steinbruck, Beth Watne, Jill Swallow, Sarah Downs, Kim Hammen, Kristi Koenig, Dee Kruse, Anne Patterson, John Kiernan.

When the Poles are in

The Flag Corp has taken giant steps forward this year. Tia Pezzet, a senior captain of a flag corp at Saydel High, came weekly to show new motions and sharpen up the movements. Mr. Albrecht, the band director, said "Much of the improvement was due to the talent and dedication of the Flag Corp this year."

There were many new members this year, and they caught on fast. Once a student is in Flag corp she will stay until graduation. This works well because new members can learn faster by watching veteran flag members.

The Flag corp performed routines to "Rockin Robin", "Louie, Louie", and "Ballerina Girl". A new idea in the works is to send several girls to Flag Corp camp this summer.

Back Stage with TLC

It was once said "that you never stand so tall as when you stoop to help another." That thought was in the minds of TLC. Students that find that helping other students and participating in TLC puts them in a good mood.

The TLC members agreed that the purpose of TLC is "to inform students that there are positive alternatives to self destructive behavior."

There will be a camp this summer in which 14 TLC groups throughout Polk County will each send 6 members to represent their group. At this camp the members will share experiences and ideas and return to their schools with some new ideas of helping fellow students.

TLC is an important addition to our school that all students can benefit from.

Sound Check—Jazz Band

Some of the major events that the Jazz Band participated in this year consisted of four jazz festivals. They placed sixth at SCIBA out of twelve bands, and finished fourth at Central College. At Jazzmania they finished 3rd out of twelve bands and at the Jack Oats Band Festival the band placed 3rd out of seven bands. The highlight of the year was when the band received a Division I rating at the State Contests.

The Jazz band has also participated in other areas of performance such as playing for an aerobics course at Iowa Methodist Hospital. According to Mr. Albrecht the band needs to work on style and tone quality. "With so little experience before high school, style is very difficult to perfect."

"The band did have many strong points this year, and will have for next year", Mr. Albrecht said. The strong group of soloists this year were: Alex Fulmer, Mike Watne, Dave Paez, and Scott Grimes, who was featured in the ballad numbers at each contest.

Next year looks promising for the Jazz Band since 17 out of the 20 members will be returning. Even though three good senior players are leaving, the band still has enough good members to work with.

LOOKING BACK ON OUR STUNTS

This year's cheerleaders have increased in squad size and enthusiasm for the athletic teams at JHS. The cheerleaders attended two different camps at Iowa State University and the University of Iowa to help improve school spirit. New cheers and dances were added to the pep assemblies by the cheerleaders.

According to Mrs. Good, the cheerleading sponsor, "The cheerleaders' skills have improved greatly throughout this year. The main goal of the cheerleaders here at JHS is to provide school spirit, good leadership, and maintain a good academic schedule throughout their four years of school."

The cheerleaders would especially like to thank Troy Wade for coming to most of the games and demonstrating and encouraging school spirit with the cheerleaders.

CHOREOGRAPHY BY THE DRILL TEAM

For the last three years Johnston High School was missing a drill team, until Cindy Nelson arrived. Cindy Nelson is a dance instructor at Johnston who helped to get the drill team going for the 87-88 school year.

The drill team, called The Johnston Dance Incorporated, performed during half time at home basketball games. One dance routine was to the Michael Jackson song "Bad", and they also got attention when they dressed up in raisin costumes and performed a routine to the song "I Heard It Through the Grape Vine". Mindy Webb and Amy Prideaux helped with choreography and the planning of the routines. The girls on the drill team would especially like to thank Cindy Nelson for getting the drill team started this year.

NATIONAL HONOR SOCIETY

The purpose of the JHS National Honor Society is to recognize and serve the top students, create enthusiasm for scholarship, to stimulate a desire to render services and to promote worthy leadership.

Mrs. Scott, advisor to the society, said, "Members are selected by a faculty council on the basis of scholarship, leadership and character. A 3.4 grade point average is also required.

This year's National Honor Society members were involved in service projects such as Christmas party for the Preschool Handicapped students. The National Honor Society officers are: David Paez, president; Doug Beebe, Vice president; Karen Trees, secretary, Than Le, treasurer; Jenny Gehringer, historian.

JHS Directed by: Student Council

Thanks to the Student Council this year's Homecoming was better than ever. All of the officers worked hard in planning new Homecoming activities such as floats, hall decorating, and a pizza party awarded to the class with the most participation (juniors). Best of all they helped the school receive the much desired pop machine. The student council then wrapped up the school year with a picnic.

The student council officers were: Scott Grimes, student body president; Doug Beebe, vice president; Jeff Heinen, freshmen president; Ryan Flannery, freshmen vice president; Steve Sandquist, freshmen secretary/treasurer; Matt Duckworth, sophomore President; Troy Langos, sophomore vice president; Brian Smith, sophomore secretary/treasurer; Scott Maasen, junior president; Rachelle Thran, junior vice president; Cathy Jeffries, junior secretary/treasurer; Mark Casey, senior president; Mike Watne, senior vice president; Joel Goodman, senior secretary/treasurer.

SADD—STUDENTS AGAINST DRUNK DRIVING

The purpose of the SADD (Students Against Drunk Driving) program is to organize students from across the country to combat one of the major killers of their age group—death due to drinking and driving.

SADD educates students on the problems of drinking and driving as it exists on the state, local and national levels.

SADD has four goals:

To help eliminate the drunk driver and save lives.

Alert high school students to the dangers of drinking, driving and drugs.

Conduct community alcohol awareness programs to help students who may have concerns about alcohol and drugs.

Mr. Pitz, when asked why he chose to become the sponsor of the Johnston SADD group, replied, "As a recovering alcoholic I feel a deep sense of commitment to try to have others not repeat my mistake. When I was a practicing alcoholic I could have been arrested many times but I wasn't. This club is part of my therapy—the more I help others the more I am helped in return."

So far this year the SADD group has built a Homecoming float, distributed a contract for life, had flower and conut sales and had a booth at the back to school" Purple Party. The members of SADD plan to continue to do more projects for the school.

CAREER EDUCATION

The Experienced Based Career Education Program is a vocational program for students with special needs.

This is an awareness and exploration program set up to provide students with an opportunity to explore different career options.

There are five students in the program this year. They go to work for four days each week and work for two hours each day.

They aren't paid for their work, but they get a first-hand taste of what life in the real world is like.

The Johnston Football team has done very well this year. This is partially because of the team's experience level. The players really wanted to work this year. Johnston's school spirit this year really helped the team to become successful.

The Homecoming Game was on October second at 7:00. Although Johnston was not victorious, the defense worked hard enough through the game that Carlisle didn't score until the third quarter. Coach Mahoney said, "They played hard and well, but lacked consistency."

Johnston's overall record was 5-3. With out school spirit on the rise and our experienced players, Johnston is sure to have a good team next year too.

Going The Distance

This year's Cross Country team started off to a good start with almost twice as many participants as last year. The season this year was a lot harder than last year with the races being longer from 2.5 miles to 5K (3.1 miles).

Cross Country is a highly individual sport with the athletes competing against his or her self and the clock. Training is grueling with practice every day running 4 to 10 miles a day. This year they were training for more distance than speed since the race is now longer.

Greg Ojendyk, a junior, has been running competitively for five years now. Ojendyk participates on the track team where he qualified for the state meet at Drake University in the 1600 and 3200 meter race. In the state Cross Country meet last year, he placed sixth.

SWIMMING

This year's Johnston and Urbandale combined boy's team did an outstanding job! They placed well in all of their meets, and sent Mark Mertens to state competition for diving. Mark finished in tenth place in his division at state. Bernie Timmerman was given the award for being the most improved swimmer on the team. Way to go, guys!

The girls' swimming team for 1987-1988 (Urbandale and Johnston) had a great team, helped out by freshman Frankie Hansen. Frankie is following in her sister's footsteps. Her sister, Julie Hansen, graduated from J.H.S. in 1987. She set many records in swimming and was great overall! Frankie set a new record in the 200-meter freestyle and won an award for being the most inspirational team member. She also went to state competition and won two first places and set two new records for state.

Another new face on the team from Johnston that deserves some mention is Jill Papenheim. She received an award for being the hardest worker. Keep up the good work!

Behind the Hoop—JHS Boy's Basketball

The Johnston High School Boy's Basketball team has done very well this year. The team won the Saydel Invitational and they were the runner up for the District Championship. The team's coach is Frank Sanders and the assistant coach is Mr. Kinder.

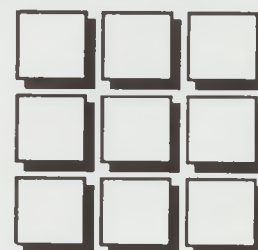

Troy Wade, Scott Maasen and Ken Tjaden did especially well for the team. Individual statistics for some of the varsity players are: Rebound Leaders: Troy Wade, 10.5 ave; Scott Maasen, 4.0 ave; Ken Tjaden, 3.8 ave; David Smith, 3.1 ave; Chris Bertrand, 3.1 ave; Darren Young, 2.1 ave. Assists: Ken Tjaden, 3.3 ave; Troy Wade, 3.1 ave; Scott Maasen, 2.5 ave; Chris Bertrand, 2.3 ave; Darren Young, 2.1 ave; Steals-Interceptions: Troy Wade, 3.1 ave; Ken Tjaden, 2.9 ave; Scott Maasen, 2.5 ave and Darren Young, 2.1 ave. Troy Wade, Scott Maasen and Ken Tjaden were also selected for the Heart of Iowa Boys All-Conference.

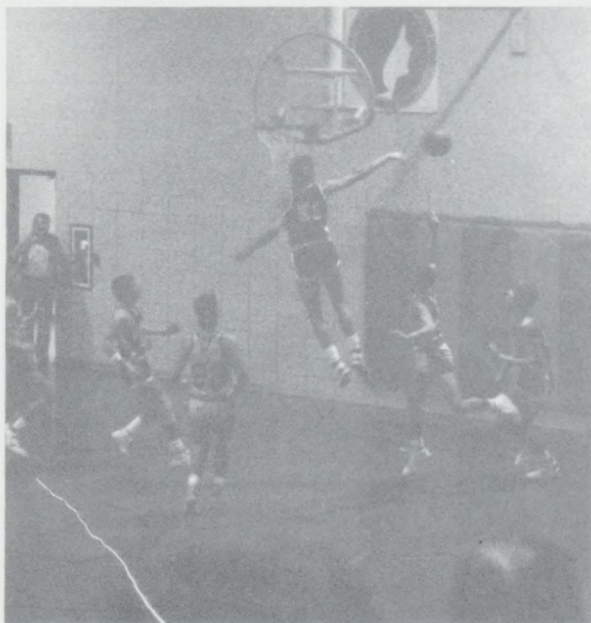

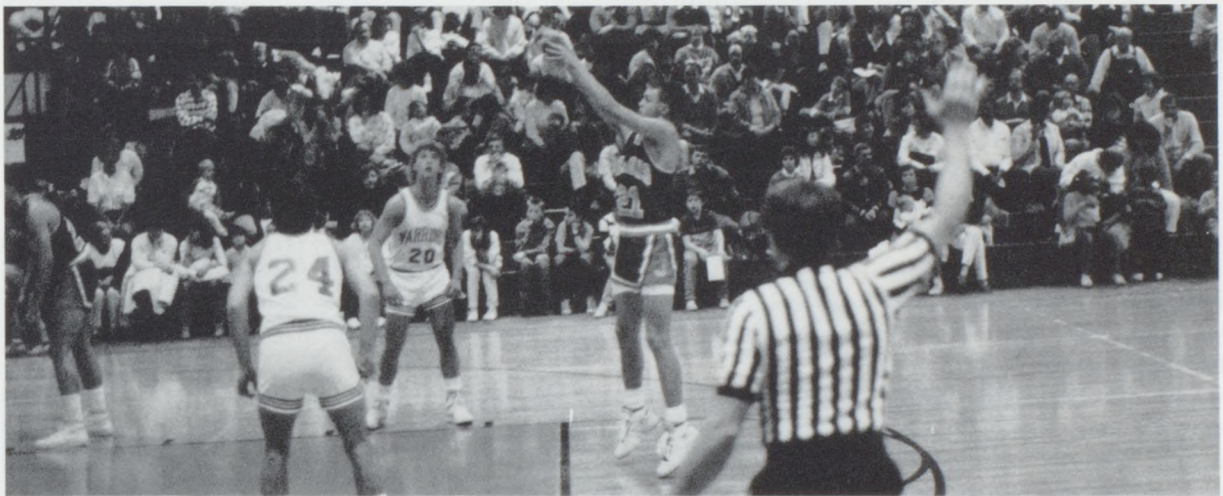

Some valuable players for the JV team were Frank Gilliam and Jeff Heinen who each scored 35 total points for the team. Good luck next year, Dragons!

DID YOU GET THAT SHOT ON FILM?

The JHS Girl's Basketball team finished the year with a 3 and 17 season. Two of the three victories were in the Heart of Iowa conference, as the Dragons finished in seventh place. The Underclassmen played in many games this year. This will give us much valuable experience for next year when the team will be more experienced.

Awards that were presented to the players were: Kari Bobst—Varsity Offensive Player of the Year, Chrissy Trometer—Varsity Defensive Player of the Year, Chrissy Trometer—Varsity Most Valuable Player, Staci Vanderhart—Varsity Most Improved Player, Kari Gay—JV Offensive Player of the Year, Jennifer Doak—JV Defensive Player of the Year, Kari Gay—JV Most Valuable Player, Erin McDonald—Most Improved Valuable Player of the Year.

STUNTMEN IN ACTION

This year's wrestling teams were outstanding. The varsity's record was 11-2, and the JV's record was 8-3. This year's captain of the varsity team was Cale Sponsler and the co-captain was Davis Gomis. The varsity wrestling team members were Heart of Iowa Dual Meet champs at 7-9, and Heart of Iowa Tournament champs. The team took second at districts along with Greenfield, Boone, and Carlisle. The JHS team members were also sectional champs.

The overall state qualifiers were: Barret Thompson, grade 9, 6th at state, 98 lbs; Brian Duckworth, grade 9, 105 lbs; Cale Sponsler, grade 12, state champ at 112 lbs. Cale Sponsler's record from the last four years was 105 wins and 11 losses. The Johnston High School team's overall place at state was 11th. Great job, guys, and good luck next year to Coach Frank Baltzley.

The men's track and field team from Johnston High School has had many highlights this season: the great showing at the Dickinson Relays, winning the McDonald's Urbandale B Championship, and capping off the season with an impressive performance at the District Meet on Saturday, May 14th, finishing in second place and qualifying in six events. The team also won the Heart of Iowa Conference Championship for the last time before the conference dissolves.

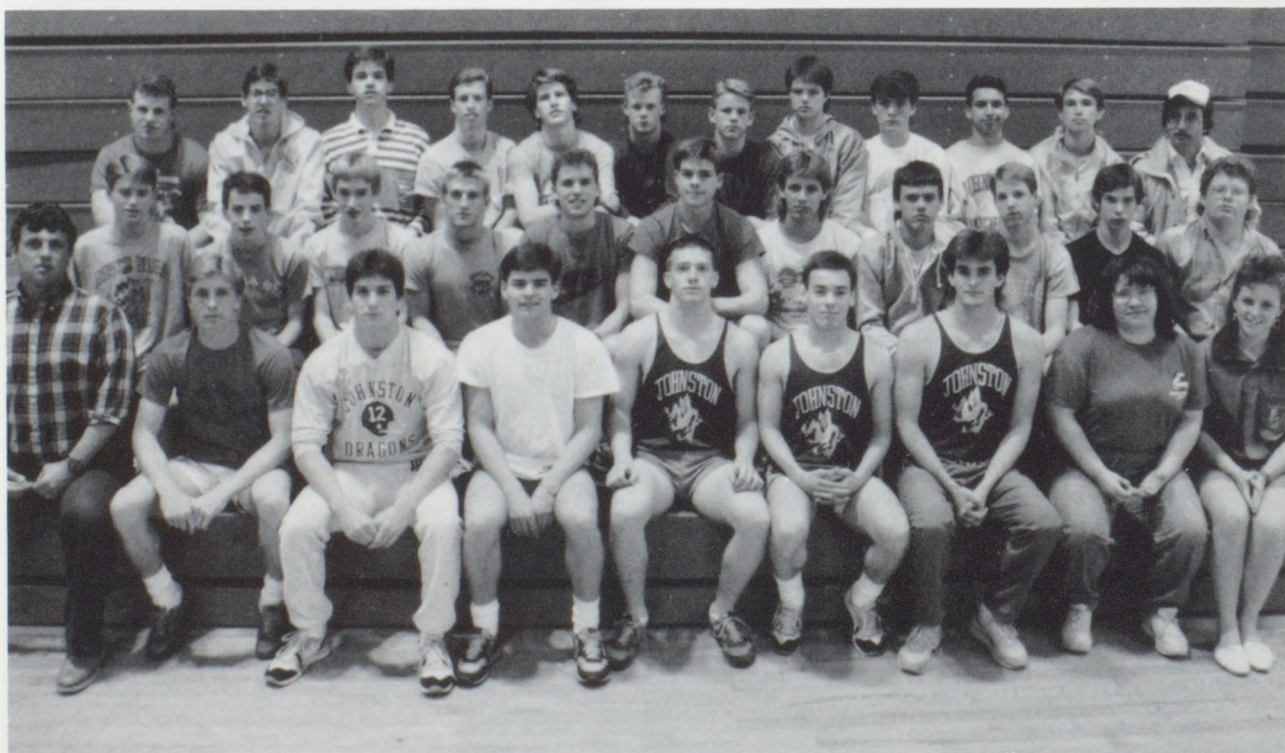

The following students represented Johnston High School at the State Track Meet on May 27th and 28th: Greg Ojendyk in the 3200 meter run, 1600 meter run and the 800 meter run; Darren Young in the 200 meter dash and the 800 and 1600 medley relay teams; Chad Johnson in the 1600 meter run and the 1600 meter medley relay; Cale Sponsler and Adam Keller in the 1600 meter medley relay and the 800 meter relay; and Joel Goodman in the 800 meter relay.

Coach Sypniewski commented,

ON THE RUN!

"Hard work, strength, a great attitude from our young runners and great leadership from our seniors (Chad Johnson, Joel Goodman, Jared Hill, Cale Sponsler, Adam Keller and Dave Paez) made this a great season." The team also made a great showing at state by the state qualifiers by finishing. These members were: Greg Ojendyk, 14th in the 3200, and 6th in the 1600; Chad Johnson, 1600 medley, 10th; 1600 medley—4th in state; 4x2 relay, 7th in state; overall, the team was 21st in state. Coach Whitaker commented about the team, "The freshmen on the team had the best attitude and were the hardest workers of any group I've ever worked with."

Bottom: We caught Lisa Schultz pulling her own leg for a change.

The Johnston High School Girl's Track team had an excellent season. Besides sending several girls to the state meet, the team won fifth place in the Heart of Iowa Conference. The team was composed of many young and inexperienced runners. With virtually the whole team back next year, it should be another great season for the JHS girls' track team.

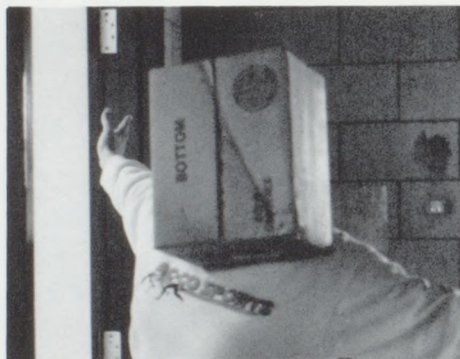

The district champions were: Marla Coleman—100 M Dash, Dianna Leftridge—Long Jump, 400 meter Dash; Marla Coleman, Kari Gay, Erin Quick, Nikki Johnson—4x 100 meter relay; and Alicia Shelton—High Jump. Marla Coleman placed at state competition in the 100 meter dash.

BOY'S GOLF—RIGHT ANGLE SHOT

The Johnston High School boy's golf team has had a very consistent year. Although their scores have been a little higher than the players desired, next year the boy's golf team will have more experienced players and should do better.

Other schools that the team defeated were: Ballard/Huxley, Osceola, Saydel, Waukee, and Roland-Story. In the Saydel Invitational the team placed second, in the Heart of Iowa they placed sixth, and in the sectionals the team placed fourth. Some of the players averages were: Jerry Courtney—39, Ken Tjaden—43, Scott Maasen—44, Bob Climpson—47, Chad Christianson—49, Mike Musal—49, Steve Lisle—49.

Bottom: Girl's golf team members are: Beth Watne, Kelli Johnson, Karen Thomas, Tara Sapienza, Annette Nelson, Jessi Foley and Coach Carver.

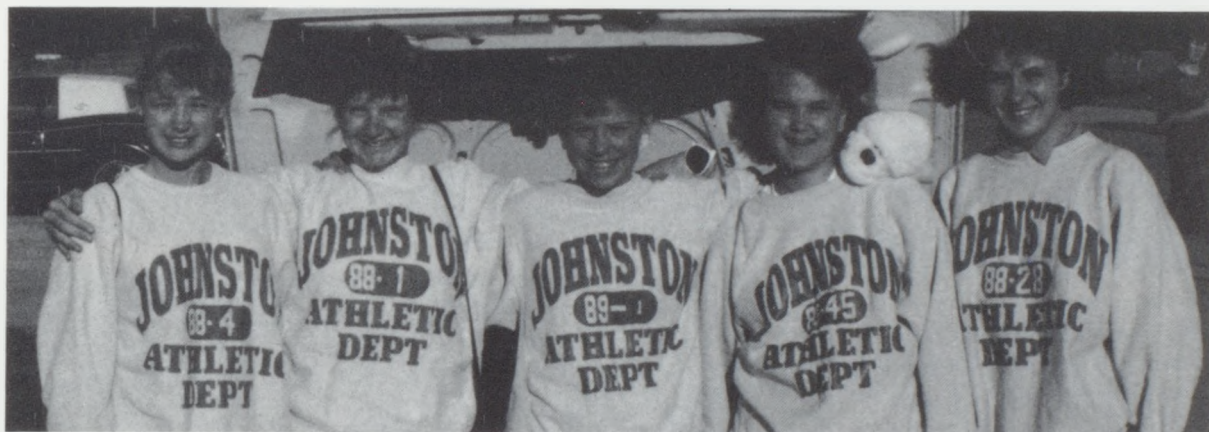

GIRL'S GOLF TEAM

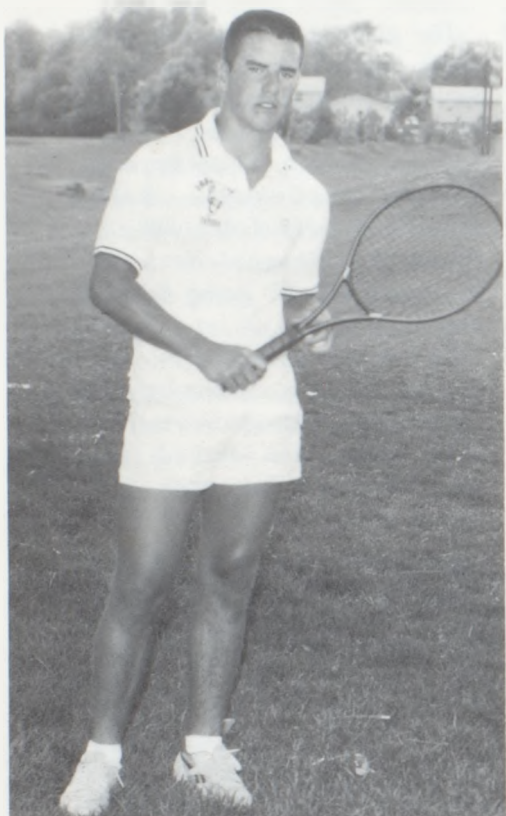

The girl's golf team this year really worked hard as a unit. Senior golf players were Sandi Hudson, Tara Sapienza, Annette Nelson, Karen Thomas and Yvonne McConnell. Kelli Johnson and Jesi Foley will anchor next year's squad. Next year the team will be going into a new conference.

The team, coached by Mr. Carver, was very consistent this year. Although the scores were a little higher than desired, the team plans to do better next year.

DOUBLE SHOT—BOY'S TENNIS

The Boy's tennis team didn't waste much time getting right to work this year. Although the team won four meets and lost five, they won the Central Iowa Conference tournament. Johnston and Urbandale totaled 33 points with second place Ankeny and Boone totalling 24 points. The overall conference record was 4 and 1. This is the first time the Urbandale/Johnston tennis team has won the conference. Bernie Timmerman, who plays varsity, won the doubles tournaments.

Other players who did well on the team were Alan Pooch, who played some varsity and JV meets, and Matt Scott and Scott Fleener, who did well in JV meets playing both doubles and singles. According to Coach Troe, "Overall the team played very well this year. These players are excellent to work with."

JHS GIRL'S TENNIS

The girl's tennis team, coached by Ms. Walling, had a good year with 28 girls finishing the season. The JV team won four meets and lost one, while the varsity team won six meets and lost three. In the varsity ladder, the single players were: Molly Ahern (1), Sharon Lindstrom (2), Erin McDonald (3), Deb Welsh (4), Kim Lundy (5), and Kelly Huggins (6). The double players were Molly & Sharon (1), Deb & Erin (2), Kim & Kelly (3), Frankie Hanson & Staci Vanderhart (4), Laurie Papenheim & Amy Mentele (5).

Overall Sharon Lindstrom was the most consistent player on the team. Erin McDonald improved throughout the season, and moved up the varsity ladder from 7 to 3. Frankie Hanson and Staci Vanderhart were undefeated throughout the dual meet season in doubles. In sectionals Sharon Lindstrom, won the first round in singles and Kim Lundy and Staci Vanderhart won the first round in doubles.

JHS Baseball

The 1987 season was a new experience for players and coaches. "This was the first time since I have been coaching that we had returned so few regular players," said coach Mahoney. Only one senior, Coby Shank, returned from the State ranked team in 1986. Twelve Juniors, and four Sophomores, and one Freshman, made up the squad in 1987. The Dragons lacked experience and the confidence that goes with the experience of competition. The lack of these qualities were evident early in the season.

"We improved as the season went on and will be much improved next year," said Coach Mahoney.

The Dragons will return the following players next year: Seniors; Doug Beebe, Chris Bertrand, David DeCook, Jared Hill, 2nd team all district, Matt Jones, David Kinman, Jason Kreps, Brent Rankin 2nd team all conf. David Smith, Cale Sponslor, Mark Tague, Brad Vorhees. Juniors: David Gomis, Ken Tjaden, Clint Cavanah, and Scott Maasen, Sophomores Eric Oiler.

JHS SOFTBALL TEAM ON LOCATION

This year's girls' softball team finished a competitive year. Although this year's team did not match up to previous years, they did work hard. There were only a few seniors on the team so the team was young and inexperienced. Coach Walling said, "We hope to do better next season."

Top: Softball team members are: (Row 1) Jennifer Doak, Rayne Knudson, Jennifer Meyer, Nikki Johnson, Missy Grimes, Rachelle Thran, (Row 2) Dawn Bebensee, Tory Bothwell, Kari Bobst, Miss Walling, Ryan Alexander, Debbie Welsh, Jenny Gehringer, Jill Swallow. Bottom: Kari Bobst and Rayne Knudson warm up before the game.

Soccer Strikes

This year's soccer team was coached by Mr. Harswick and Mr. Wandro, and the players showed much improvement from last year. The 1986 win-loss ratio was 2 to 7. This year's improved to 7 to 5 and 1. JV had an excellent season, beating Urbandale once and tying them once.

The Varsity players placed second in the Central Iowa Soccer League Conference this year. Mike Watne, Adam Keller, and Greg Ojendyke made first All League team. Steve Thompson made second, and Zac Dieter, Rich Dunn, and Mark Vanderlinden made honorable mention.

Upper right: Greg Ojendyke, Mike Watne and Adam Keller made First All-League Team.

Upper left: Hanh Le in action.

Upper right: Rachelle serves the ball.

The Johnston Volley Ball Team has done very well this year, especially because most of the team is comprised of freshman and sophomores. They have been constantly building their skills all year at practice and at the games. By next year they will be very experienced.

Coach Wandro said, "I really enjoyed my first year as a Volley Ball coach and I am looking forward to next year with much anticipation because of the success that the J.V. and freshman players have had this year." The coach said that he was really impressed with the kids attitudes this year, their willingness to cooperate and their readiness for the games before they play. He also said that one of the biggest highlights of the year was at the last two tournaments. They won three games and did very well.

He also states that the team's

strongest points are their positive attitude and their strong serve reception.

In all the Johnston Volley Ball team will probably be a formidable opponent for next year, given both their experience and their positive attitude.

This year's Homecoming Coronation took place on October 2, 1987 at 9:30 a.m. The Homecoming King and Queen were Joel Goodman and Alicia Shelton. The Candidates were Allen Hartman and Kara Saddoris, Cale Sponslar and Mindy Webb. The Homecoming Candidates were: Freshmen Jeff Heiner and Lisa Schultz, Sophomores Brian Smith and Heidi Annable, Junior Kevin Larson and Rachelle Thran.

The Crazy Days of Homecoming

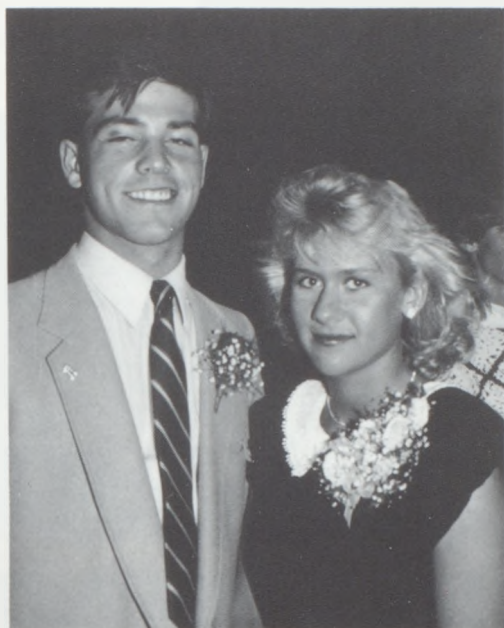

This year our Homecoming was great! We started out on Monday with Hawaiian Day, eased into Tuesday with Hat and Tie Day, coasted into Wednesday for a dress-up day and picture day, jumped into Thursday with Teen Idol Day, and finally cruised into Friday with Purple and Gold Day. Our school spirit was so intense that it was hard not to catch it. Mr. Downs told the yearbook staff, "Our school spirit this week has been the best I've seen. The whole week's worth of activities was excellent."

Top right: Karen VanAhn, Jodey Porter, Jennifer DeFrance, and Cindy Bertrand pose for the camera on dress-up day.

Bottom right: Nikki Johnson does the Polyester Scene.

This year's Homecoming Dance was one of the most unforgettable ones. People who didn't think they knew how to dance were dancing along with everyone else.

Everyone seemed to be satisfied with the music, and there were only a few requests that were not played. We may not have won the game this year, but that didn't stop anyone from celebrating at the dance.

Homecoming Parade

This year's Homecoming Parade had a new twist to it.

A float was made by each class to represent school spirit during Homecoming Week.

The theme for the freshman float was "Burn 'Em Up". It featured a dragon with fire coming out of its mouth.

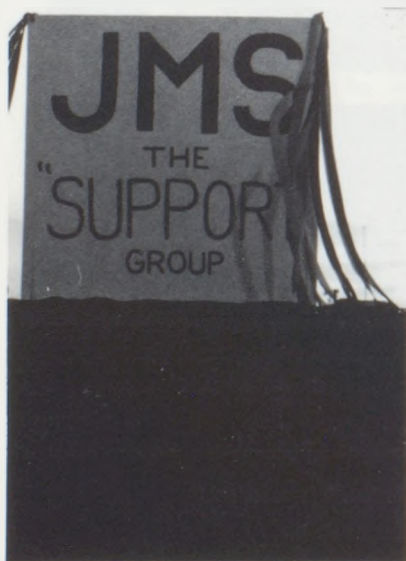

The sophomore float was called "Eat 'Em Up", and had a cereal bowl with "Wildcats" cereal inside. Outside, there was a dragon with a spoon, eating up the Wildcats.

"Wipeout" was the theme for the junior float. It featured palm trees, Hawaiian decor, and Beach Boys music. The Juniors rode the float dressed in hula skirts and flower leis. The float won First Place.

The senior float was "Cage the Wildcats". A cage was made of chicken wire and a senior, who dressed as a Wildcat, was put inside.

The middle and high school bands marched in the parade, and the Girl Scouts bore a banner.

There were many enthusiastic spectators who claim this was one of the best parades yet.

Top: The juniors proudly display their "Wipeout" float. The juniors from left to right are: Denise Bacon, Ryann Alexander, Heather Brannen, Erin Quick, Cassie Thompson, Christy Brown, Stephanie Berry, Tina Phipps,

Laurie Holgate.

Bottom: Chris Weiss proudly cleans up the freshmen float.

The Powderpuff Game was held on October 1st. at 6:30 p.m. The score was 24-0 in favor of the Juniors, and Seniors who played against Freshmen and Sophomores.

Some of the players were:

Freshmen:

Tammy Sonksen, Carie Hall, Tammy Webb, Kelly Gegner, Nichole Ball, Margaret Little, Michelle Schlienker, Rochelle Staley, Lisa Schultz, and Jessica Foley.

Sophomores:

Heidi Annable, Taige Iles, Gena Way, Kristen Garland, Staci Vanderhart, Lisa Bergsma, Jennie Steinbruck, Tara Keltner, Cindy Bertrand, Jennifer DeFrance and Jodi Porter.

Juniors:

Anne Arthur, Amy Mentle, Denise Bacon, Ryann Alexander, and Lisa Rittgers.

Seniors:

Mindy Webb, Kara Saddoris, Alicia Shelton, Missy Grimes, Missy Marker, Kelly Huggins, Debbie Welsh, Nikki Johnson, and Tereasa Budd.

The Cheerleaders were:

Chad Johnson, Troy Waite, Mark Moore, Chris Bertrand, and Neil Wecker.

There wasn't a coach for the games but there were some guys that adopted the team.

these guys were:

Sophomores:

Troy Langos, Eric Oiler, Keith Lee, and Bernie Timmerman.

Seniors:

Mark Casey, and Cale Sponselor.

CLOSE UP SHOTS

"Up Where We Belong" was this year's prom theme and thanks to the prom committee and the large turn out, this year's prom was very successful. The prom committee was made up of Anne Patterson, Shelaine Harbart, Meredith Kirkland, Laura Holgate, Jami Reese, Lisa Rittgers, and Christie Brown. The committee did something new this year. They had elections for a prom king and queen. The three queen candidates were Trina Cooney, Mindy Webb and Kara Saddoris. The king candidates were Alan Hartman, Mark Mertens and Cale Sponsler. At last, on the night of the prom, votes were tallied and Kara Saddoris was elected queen and Cale Sponsler was elected king.

A slide show was presented showing seniors' baby pictures. Shortly after the slide show, the prom came to an end. It was an evening enjoyed by all, especially by the seniors who will remember the night as their last high school prom.

The After-Prom party was a huge success this year. About 250 students attended. Many expensive prizes were given away including a stereo, a TV, and cash prizes. The theme for the party was "Under the Boardwalk" and the After-Prom committee worked hard decorating to make it look good to go with the theme. Many popular games were played such as Pictionary, Bingo, Wheel of Fortune, Let's Make a Deal, Black Jack, and Jenga. Other activities were Fortune telling, a hug-a-thon and a football throw. Dance floor and free food were also provided. The planning committee and all the students that were involved really contributed to the success of the party.

"THE EFFECT OF GAMMA RAYS ON THE MAN-IN-THE MOON MARIGOLDS"

This was a story about a bizarre family including Beatrice (the mother) and the two sisters, Ruth and Tillie. Beatrice was a dumpy woman who was laughed at when she was in school, and never really amounted to much. She, in a twisted way, wanted better for her daughters than what she had. She thought she could do this by keeping Tillie away from her real love, which was science. In the end she found out that doing what you love is best.

"A MARRIAGE PROPOSAL"

This play was about a young couple deeply in love. Disputes broke out between the two when Ivan proposed to Natalia. They argued over who owned the meadows (a piece of land that each claimed to be owned by their families) and whose dog was better. When Natalia's father tried to stop the arguing, he ended up getting involved. In the end, peace was made long enough for Natalia to accept Ivan's proposal.

"SORRY, WRONG NUMBER"

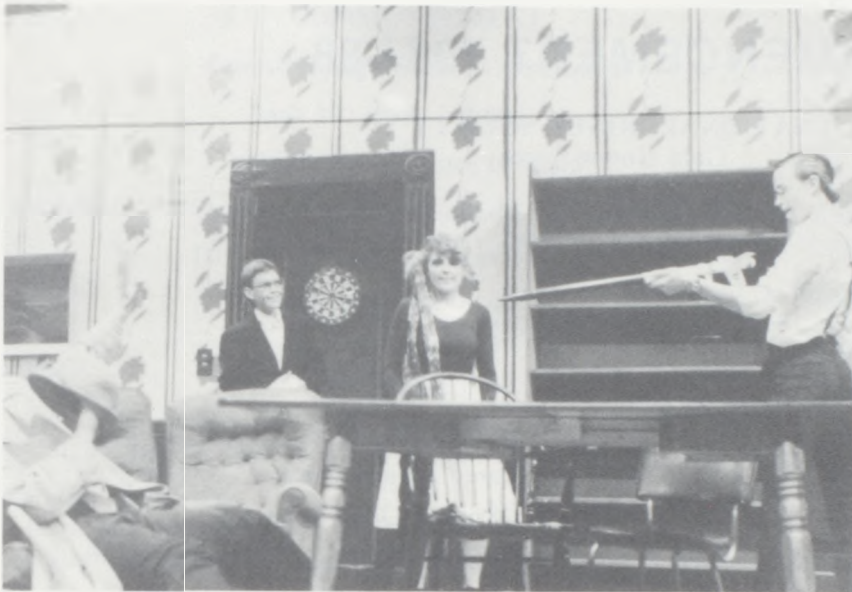

This was a play about a woman, named Mrs. Stevenson, being murdered. Her husband went out of town, and when she tried to call him, the operator cut her into the wrong phone number. She overheard plans for a murder to be committed that night, and immediately contacted the police. They didn't take her seriously, and did nothing about the possible murder. The play ended when Mrs. Stevenson realized that she was the one to be killed, and was stabbed to death.

YOU CAN'T TAKE IT WITH YOU

"You Can't Take It With You" was a humorous play about two families drawn together by their children. The Sycamores had many curious quirks, and at times the whole family appeared to be insane, except for Alice. Alice was the second youngest daughter in the family, and was madly in love with Tony Kirby. Tony was the only child in the Kirby Family, which was a very wealthy and business-oriented family.

Problems began the night that the two families met. The problems were just small ones ... like the Sycamore's house being invaded by G-men, the cellar being blown up with dynamite, and both families spending the night in jail. Things eventually did work out, but only after more dancing lessons, paintings, fireworks, and even a wrestling match between Mr. Kolhenkov and Mr. Kirby. Kind of.

Although the Freshmen were new to the high school this year, they didn't waste time getting involved with school activities.

One freshmen that really got involved is Ryan Flannery. Ryan participates in swimming, Student Council, Band, Concert Choir, and he acted in the spring play. He was also one of the few freshmen who made Swing Choir. Ryan has a 4.0 grade average, and stated, "I'm working toward a college scholarship, and I try to keep involved in school activities."

Transferring from Algona, Kari Edwards was new to Johnston this year. She is involved in Concert Choir, Senior High Chorus, Cheerleading, Tennis and acted in the spring play. She also tried out for All State Music and made the Honor Roll. Kari told the staff, "I like this school. I'm having fun because I'm working hard and getting involved."

Jenny Reay didn't waste time meeting friends at the high school this year. "There are a lot of great people here," said Jenny. "I can relate to more people this year than I could in eighth grade." Jenny is the manager for the Wrestling Team. She is also involved in swimming, band and in a church youth group.

Not many students can say they have broken a record, but Frankie Hanson has and is proud to say that she works hard on the JHS swim team. "Swimming has been a positive experience for me," Frankie said. "It's a good sport to participate in." Frankie has broken three individual records and one relay record. She went to state in three events, won the 200 freestyle and the 500 freestyle at state. Frankie is also involved in Band, Tennis and Softball.

The freshmen class president this year was Jeff Heinen, who also keeps busy with Basketball, Baseball, Track, Concert Band, and Jazz Band. When asked how he felt about Johnston High School Jeff replied, "I like it. The kids and teachers are nice, and I don't feel pressured into doing things that I don't want to do."

The annual staff would like to welcome the freshmen class, and wish them success in the years to come.

Sophomores

The sophomore class is very unique and contains many talented and gifted students. Many of these students are involved in extra curricular activities such as Band, Chorus, Swing Choir, Sound Advice, Concert Choir, Jazz Band, Drama, Speech, Wrestling, Football, Tennis and Swimming.

Cindy Bertrand is one sophomore who is involved in Chorus and Cheerleading. She told the staff, "The sophomore class is very talented in sports and academics."

Amy Anderson is involved in Mock Trial, and Tennis. She said, "In my opinion the sophomores are a very fun loving and energetic class."

SPLICE OF LIFE

Robert Agnew

Todd Arnold

This year's junior class has quite a wide variety of individuals ranging from Mock Trial members and Academic team competitors to basketball and soccer players. One of these individuals who towers above the rest is James "Bucky" Shanks. Bucky is a new student at JHS. He was also the lead singer and guitar player for a band called "Guess Who's Coming to Dinner?" Juniors Steve Thompson and Kelly Hulsebus made up the rest of the group and senior Jennifer Winders was the "road woman". Although the group disbanded before their hot single "John Carver says were going to War" hit the top ten, Bucky and the rest of the band made a colorful addition to the class of '89".

Jenny "Joey" Fowler is another energetic junior who is involved in Mock Trial, Concert Choir, School play, and various art classes. Her outside interests include Karate, photography, and music. Joey is planning on taking art classes this summer in San Diego, California. Joey says about Johnston, "I feel like there is a lot of warmth and togetherness throughout this school—there are few complications, and nothing that can't be resolved by people trying to understand each other a little more. I really enjoy Johnston High School."

The Johnston class of '89' is made up of many talented and successful students. One such person is Shelaine Harbart. Shelaine has many credits to her name. She has won several writing contests such as Veisha.

If you poke your head in at any SADD meeting you'll see Shelaine working hard to support their cause. Shelaine is also an accomplished equestrian, and has acquired dozens of blue ribbons and trophies. All of these were earned from hard work and dedication. This same dedication is applied toward dog shows and cheerleading.

You would think with all of this that Shelaine wouldn't have time for anything else, but when the opportunity to become a member of the Academics Team came up, she jumped at the chance. Shelaine also played a major role in the spring play, "You Can't Take It With You." Shelaine shows a lot of school spirit along with the other members of the junior class.

Lisa Rittgers, another talented junior, entered a small group speech competition in February in the area of "Humorous Acting" and received a Rating I, which qualified her for State Speech Competition. Lisa is also involved in Drama and Cheerleading.

Meredith Kirkland, an outstanding junior, was an active member in TLC (Teen Leadership Connection). Meredith was also in the school play "You Can't Take It With You". Her favorite activity in her spare time is riding horses, and she shows her two horses all summer long. Meredith enjoys coming home from horse shows with ribbons. She hopes to keep riding horses even when she gets out of college.

Corrie Chatterton won the highest acclaimed baton twirling title available in the state, Senior Advanced Miss Majorette of Iowa, 1988. The competition

consisted of modeling a formal gown, performing an X-strut, and a twirling solo. She also qualified to represent the state of Iowa in the National Competition at Notre Dame University in July, thus competing for Miss Majorette of America. Corrie has twirled for eight years, and she hopes to receive a twirling scholarship for college. Corrie has been with the Johnston High School Band during all of her years here.

ACTING OUT A TRIAL SCENE

The Johnston High School Mock Trial team consisted of a group of students that studied a pre-set package of material that they would later use to enact a typical court room situation.

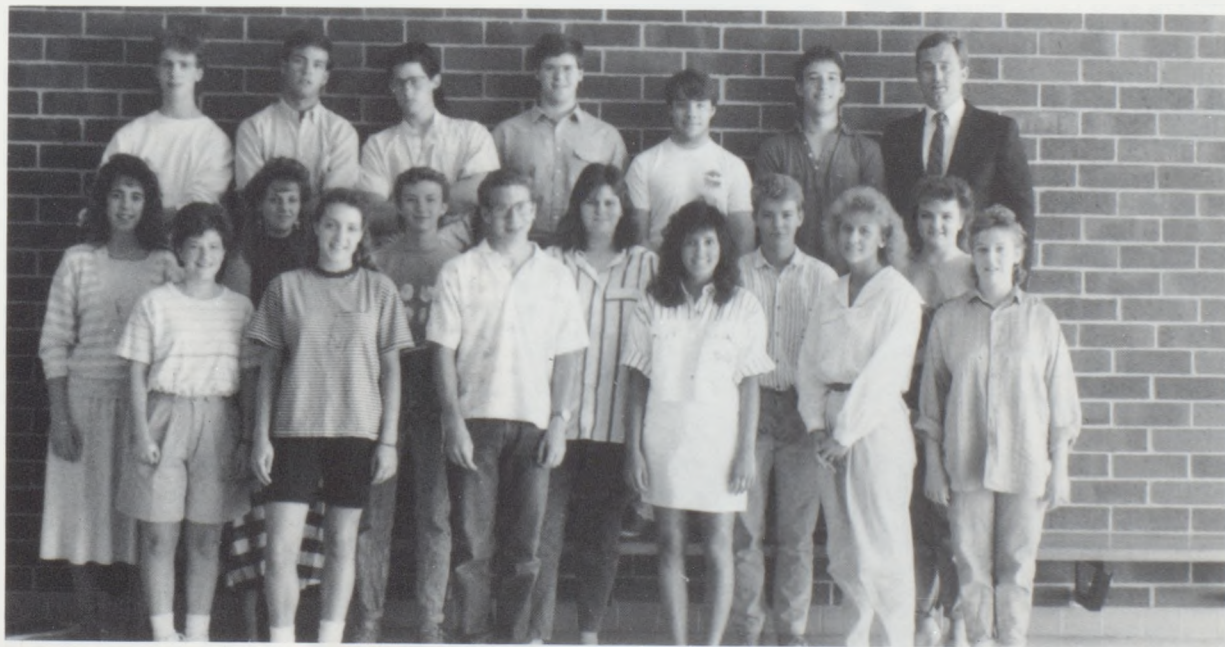

The Mock Trial Team met every morning at 7:00 for practice and spent some time after school practicing. Members of the Mock Trial team are as follows: Stephanie Berry, Tawnia Clarkson, Christie Brown, Miki Polder, Jenni Fowler, Corey Barr, Greg Stevenson, Mark Blanchard, Todd Hartle, Ryan Chamberlain, Mark Edwards, Heidi Reis, Tia Nelson, Beth Watne, Bob Agnew, Shannon Meulenthaler, Scott Maasen, Amy Anderson, Allan Pooch, Bob Climpson, Dale DuBois.

The advisor for this group, Mr. Carver, said that even though the Johnston students haven't been involved with Mock Trial a long time, they competed extremely well.

Top: Amy Anderson and Mr. Carver are relieved that the Mock Trial competition is over. Bottom: Mock Trial team members are: (Row 1) Beth Watne, Jenny Fowler, Alan Pooch, Christie Brown, Shann Meulenthaler, Tawnia Clarkson,

(Row 2) Stephanie Berry, Heidi Reis, Corey Barr, Tia Nelson, Greg Stevenson, Miki Polder, (Row 3) Dale DuBois, Scott Maasen, Ryan Chamberlain, Mark Edwards, Bob Agnew, Bob Climpson.

THAT'S MY LINE!

Over the past year, both students and teachers alike have grown accustomed to the repeated sayings of other staff members. Below are some of the student's favorite quotes as said by their teachers. Can you match the quote to the person that says it?
